No. 1653.

Deputy Commissioner's Office,
Mysore District
Dated Mysore 6th May 1897.

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

Sir,

I have the honor to state that in Government order No. 6461-4 L.F. 16.95 of the 4th December 1896, an estimate for ~~Rs.~~ 459-14-0 was sanctioned for constructing a musaferkhana at Kowlandi in the Nanjengud taluk. The work was commenced and a sum of ~~Rs.~~ 215-2-0 was paid to the contractor for the work done by him. It was subsequently brought to notice that the building was not a substantial one and that it might be sold and that a new one constructed there as per standard plan. This proposal was passed by the District Fund Board at the meeting held on the 19th May 1896. The materials of the building have been sold and the sale proceeds amount to ~~Rs.~~ 47-15-0. I request that you will kindly obtain sanction for the action taken.

I have personally inspected the building and found the workmanship very unsatisfactory; the Amildar under whose supervision it was carried out is responsible for the same, but no notice of his conduct could be taken as he has since retired

Letter No 43 dated 8 July 1897 from the same officer, submitting the further information called for in this office Order thereon.

The Govt regret that so little has been supervision exercised over the construction of this work, which has cost Rs 2-15-0, that the materials have had to be sold for less than a fourth of that amount. The action taken by the Board is, however, under the circumstances, approved.

2. It is observed that from the proceedings of the Board for June 1896 that up to that date, only about Rs 152 has been expended on the work. It should be explained whether the construction was proceeded with after the resolution of the Board to discontinue it, so as to swell the expenditure to Rs 215.
